ROYALAB
Janitorial Equipment
Sales, Service & Rental

RoyaLab Service

Our goal is to keep your equipment running at peak performance, enabling you to maximize your investment and maintain high levels of productivity. RoyaLab provides unsurpassed service efficiently, effectively and affordably.

- Professional staff of highly trained, factory certified RoyaLab technicians
- In-house or on-site repair
- Company owned fleet of service vehicles stocked with an extensive inventory of parts
- Competitive pricing on parts and labor

Optimal Performance Depends on Planned Maintenance

Manufacturing studies across industries show planned maintenance increases productivity, equipment performance and life.*

- Extend the service life of your equipment by up to 20%
- Reduce maintenance cost by up to 60%
- Reduce unscheduled down time by up to 45%

- Increase productivity by up to 40%

*Can a Planned Maintenance System Reduce Your Cost To Produce Your Product? James W. Taylor; published by the American Society of Mechanical Engineers.

RoyaLab Planned Maintenance

The RoyaLab team will create a customized plan to meet the individual needs of your facility. Our planned maintenance program provides long-term benefits on your equipment investment.

- No trip charge
- Positive facility image
- Less equipment downtime
- Increased staff productivity
- Regularly scheduled service calls
- Reduced total cost of ownership
- Operator training
- Priority service on repair calls

RoyaLab Warranty Service

Not only do we service all of the products we sell, we also repair and provide warranty

service on all the major equipment lines. Including Tennant / Nobles, Windsor, Advance, Tornado, ProTeam, CFR, Sanitaire, Viper, Taski, Camspray, Eagle Power, Koblenz, Nacecare, Powr-flite, IPC Eagle and more.

RoyaLab Rental

A complete equipment offering is available for daily, weekly and monthly rentals. Delivery is available for rentals.
