Color Code Cleaning Equipment

Based on Room

Restroom Hygiene Kit

The Complete Kit for a Deep Clean You Can See

Dust Pan with Broom Handle

Self opening and closing to sweep up dirt and debris

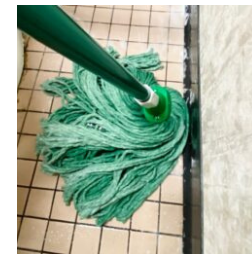

Short Handled Brush

Scrub sinks, countertops and easily reachable surfaces

Long Handled Brush

Reach difficult areas such as behind toilets, in between stall doors, base of toilets and in corners

Antimicrobial Mop with Handle

Made with rayon yarn chemically treated with Triclosan to minimize bacteria growth

Drain Brush

Brush designed specifically for the drain, eliminating deposits that cause odors

Handheld Squeegee

Cleaning mirrors is a breeze with no bumping, thumping, or streaking

Floor Squeegee with Handle

18" Hygienic Floor Squeegee to push floor cleaning chemicals and rinse water to the floor drain

Rack

Hanging rack to store all items between uses
