CROWN PRODUCTS CELEBRATES 100 YEARS

YONKERS, NY, April 9, 2019. Crown Products, is proud to celebrate its 100th birthday. For a century, we have been an independently owned and operated business located in Yonkers, NY. We employ over 50 employees, all from the local area, in our 50,000 square foot facility on Nepperhan Avenue, in Yonkers New York.

In the Klein family tradition, Crown remains very active in the local community, supporting community-based organizations, agencies servicing the disabled, children's organizations and religious organizations. We also support local hiring programs for Yonkers residents trying to get into or back into the work force as they overcome personal challenges.

We want to thank our local business partners and customers for their remarkable support and awarding us the ability to be your solid choice for janitorial and packaging needs for the past 100 years.

The owners, Pete Mollo, Howard Rosenzweig and Richard Saltzman are firmly committed to our future in Yonkers and the NY Metropolitan area.

We are sincerely grateful for all the support!
Pete, Howie & Rich
